To Whom It May Concern:

I write this letter to report on our experience with Custom Church Interiors. We engaged the company to restore the mahogany pews which were installed in the church when it was built in 1940, and additional pews when it was expanded in 1957.

Needless to say, the pews which had never been restored were in bad shape. We asked a few companies to bid on the project. C.C.I. gave us the lowest bid. Because of the confidence which I gained from speaking with Eric Voorhis, I engaged them to do the work.

I certainly was not disappointed. The pews came back looking like new. The work was superior, as was the work in having them re-installed.

I can say without any hesitation whatsoever that we were most satisfied. I can recommend the company to you with great confidence. If you should wish to speak to me or have any questions, do not hesitate to call me at 916-443-5442.

Sincerely,

Rev. Albert O'Connor  
Pastor, Holy Spirit Church
