Mr. Eric Voorhees
Church Interiors Group
10000 Indiana Avenue, Suite 4
Riverside, CA 92503

Dear Eric and our friends at Church Interiors Group,

It is with joy that I share my own testimonial about your excellent work at Saint Matthew Lutheran Church in Walnut Creek, California.

When we set about to make a plan to renovate our Worship Center at Saint Matthew, we started by looking on the internet about who does this type of work, and were we blessed to have found you.

Your prices were way below what we had anticipated which allowed us to expand the scope of our renovation without increasing our budget. When can that ever be said! The quality of the materials you offered, at a very reasonable price was such a surprise and blessing to our community of faith.

We are so pleased at every level with our newly reupholstered pews, new kneelers, new seating in our choir loft and overflow seating, the refinished altar rail and ambo. The finishes, the woodworking, the ease with which our pews were disassembled, removed, reassembled and installed was simply stunning to behold. Your crew is incredibly hard-working and courteous to a fault. Thank you so much!

I will highly recommend your outstanding and unique business to anyone who is even thinking about a renovation or new construction. They simply cannot get a better product, sales, installation and service than Church Interiors Group.

Sincerely with joy,

Dr. R. Kevin Murphy
Senior Leader
Saint Matthew Lutheran Church
Walnut Creek, CA
